Fall 2021

PM-566 Final Project Write-up

Investigating California's COVID-19 Vaccination Efforts by Region and County

Text

Instructions:

The report should have the following sections (elaborate from what was written in the midterm): Introduction (provide background on your dataset and formulated question), Methods (include how and where the data were acquired, how you cleaned and wrangled the data, what tools you used for data exploration), Results (provide final, publication ready tables and figures from your analysis, refer to your website if needed), and a brief Conclusion and Summary where you describe your findings.
